Models

Model No.	Product Description
AVAC I 2000	Portable Air Conditioner

Dimensions

Dimension (mm)	Width	Height	Depth
AVAC I 2000	415	790	418

Installation Information

Always unplug the air conditioner from the mains before cleaning.

To maximize the efficiency of the air conditioner; clean regularly.

Cleaning the housing

Use a soft, damp cloth to wipe the body clean.

Cleaning the filter

Use a vacuum cleaner or tap the filter lightly to remove loose dust and dirt from the filters and then rinse the washable dust filter thoroughly under running water (no hotter than 40°C). Dry thoroughly before replacing.
