

AVX150 Built-In Axial Fan Range

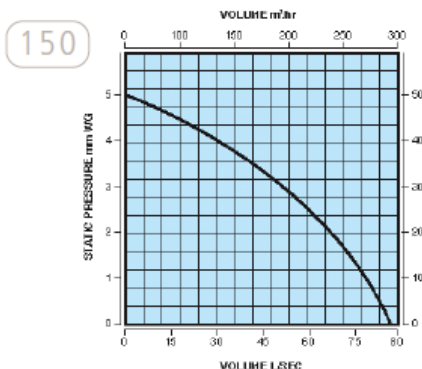

Technical Details

Construction	Impact resistant ABS thermoplastic;
Rating	220-240V ~50Hz~AC 25W
IP Rating	IPX4
Class	Double Insulated 
MOTOR:	Single-phase induction motor with pre-oiled bearings; All with thermal overload protection
	Maximum operating Temperature 40°C
Approvals	CE
Warranty	5 Years Exchange
Country of Origin	UK
Manufacturer	Addvent

Performance Details

Specification	m ³ /Hr	l/s	dB(A) @ 2m	Power (W)
AVX150 Range	278	77	40	25

Product Description

The AVX150 Built-In Range

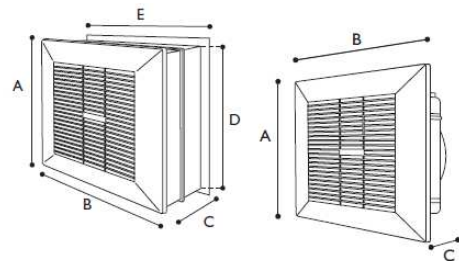

Key Features

Separate built-in range for flush mounting
Replacement fan range
Suitable for wall mounting only

Models

Model No.	Product Description
AVX150BIA	Automatic shutter fan kit
AVX150BIAR	Automatic shutter replacement fan

Dimensions

Dimension (mm)	A	B	C	D	E
AVX150BIA	310	310	160-290	275	285
AVX150BIAR	310	310	110	-	-

Additional Information

Wall Hole Size 150mm	285 x 295
----------------------	-----------

Installation Information

Suitable for wall fitting only
